

Hang Your Lights

Lyrics

Verse One

Sing, sing, sing of the mistletoe,
Dance, dance, dance by the fire.
Keep the golden songs alive with an old church choir.
(Solo) And you can hang your lights on me.

Verse Two

Love, love, love under frosty skies,
Arm in arm in the snow.
There's a twinkle in your eye 'cos when you know, know, know.
(Solo) And you can hang your lights on me.
You can hang you lights on me.

Chorus

Hang your lights, Hang your lights.
You can hang you lights on me.
Put yourself, at the top of my tree,
And you can hang your lights on me.

Verse Three

Bring, bring, bring down a gleaming crown,
Raise a toast to one and all.
Shut the curtains and the door, I want your loving not your war.
(Solo) And you can hang your lights on me.
You can hang your lights on me.

Chorus

Hang your lights, Hang your lights.
You can hang you lights on me.
Put yourself, at the top of my tree,
And you can hang your lights on me.

Bridge

I'll be your angel, at the top of your tree
'cos in my stable, you'll always be.
It's a cosy little room underneath the frosted moon
We'll hang the lights on you.
I'll be your angel, at the top of your tree
'cos in my stable, you'll always be.
It's a cosy little room underneath the frosted moon
I can hang my lights on you.
Let me hang my lights on you, let me hang my lights on you.
There ain't nothing else this Christmas that I would rather do.
Hang your lights. **(rest)**

Chorus

Hang your lights, Hang your lights
You gotta hang your lights on me.
So put yourself at the top of my tree.
You can hang your lights on me
Hang your lights, hang your lights,
You gotta hang your lights on me.
So put yourself, at the top of my tree,
You can hang your lights on me.
