

Walsall Music Education Hub and Service

WALSALL'S WINTER WISHLIST.COM

THURSDAY
17th DECEMBER
2020

We may not be allowed to sing together on stage this year,
but that will not prevent us putting together a

SPECTACULAR SCHOOL CHOIRS CHRISTMAS EVENT

After the year we have had it is essential that we have a reflective, yet joyous celebration that the children of Walsall can be proud of.

This year we are not restricted by stage size or room capacity.

There is no waiting list; no coaches to book and no tickets to distribute.

It is also **completely free to take part!**

Allow us to guide you through the safe, and simple learning/recording process so that your students can continue to develop their musical skills, whilst your school continues to deliver a broad and balanced curriculum.

Then sit back and prepare to enjoy an evening of entertainment on

THURSDAY 17th DECEMBER 2020

when all of Walsall will be able to enjoy a very festive celebration from their own homes.

**Join us in one of our online seminars on
MONDAY 21/09, or THURSDAY 24/09 2020 at 4pm**

We will present the music to you and outline details for the recording process,
after which you can ask questions.

To register your interest and to book onto an introduction seminar please
email: jmaddison@walmused.org.uk

N.B. If your school is unable to take part in the singing element there are other ways for you to join in the fun. Please come along to a seminar to discover how else your school can participate.

Let us join together to show that nothing will stop us singing
