Walsall SHOUTS

Walsall's Cultural Education Partnership is offering this opportunity for schools to nominate two students to attend Walsall SHOUTS as Young Arts Ambassadors for their schools.

This event aims to give Walsall's young people the opportunity to shape the future of arts and culture in Walsall and create a young people's arts & culture manifesto.

Walsall schools are invited to nominate up to 2 students (ages 9-18) + 1 accompanying adult to attend.
